Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- **A.** Do not leave blank. Enter "NA" if not applicable or if you are a first time voter.
- **B.** Provide the complete street address of your Washington voting residence. A post office box or rural route is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway ______, 2 miles past Highway ______, across the street from the ______ gas station." This address must be within the county or township where you claim legal voting residence.
- **C.** Print the complete address where you want your ballot sent usually your current mailing address.

Your current mailing address must be different from the address you provided in Item 3.

- **D.** Washington is an open primary state, so designation of political party affiliation is not required.
- **E.** If you do not wish to request an absentee ballot for all future elections, indicate in this section for which elections you are requesting an absentee ballot. You may also use this section to include any former name under which you may be registered or a telephone number where you can be reached.
- **F.** Check ONE box.
- **G.** The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Washington and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. When To Do It

You may use a single FPCA to request absentee ballots for all future elections, except if you are requesting a special write-in ballot (see Section E). You may also request absentee ballots by telephone, fax or by filling out and mailing the request form printed from the Secretary of State web site (www.secstate.wa.gov). Notifying the county auditor of any mailing address changes is required for an individual to receive absentee ballots for all future elections (for local, state and Federal offices).

Washington will automatically use a completed FPCA as a form for voter registration.

(1) To register to vote only, send a completed FPCA to the auditor in the county where your voting residence is located at any time. It must be received 30 days prior to the election.

To register and request an absentee ballot, send your FPCA to the auditor in the county where your voting residence is located. The county auditor must receive your FPCA not earlier than 45 days before and not later than one day before the election.

If you are already registered and only wish to request an absentee ballot, send your FPCA to the auditor in the county where your voting residence is located. The county auditor must receive your FPCA or any other written and signed request not earlier than 45 days before and not later than one day before the election.

(2) Return your voted ballot to the county auditor so that it arrives within 10 days after the primary election or 15 days after the general election. Postmark your voted ballot by election day.

Local election officials mail ballots approximately 20 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

C. Oath/Witness Requirements

No registration or voting materials are sworn to or witnessed. However, you must sign an oath validating the ballot.

D. Electronic Transmission of FPCAs and Ballots

- Washington allows you to send your FPCA ballot request by fax. If you are registering to vote, the original form must also be mailed.
- Washington allows you to receive the blank ballot by fax.
- Some Washington counties allow you to return the voted ballot by fax.

Please refer to Appendix C for specific instructions when transmitting election materials electronically. Use only the following numbers:

DSN 223-5527 (703) 693-5527 1-800-368-8683

E. Special Write-in Absentee Ballot

Washington provides a state special write-in absentee ballot available 90 days before an election if you believe that you will be residing or stationed or working outside the continental U.S. and believe you will be unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots.

The FPCA may be used to request this state special write-in ballot. In Item 7 of the FPCA, place one of the state special write-in labels from Section III.F. If no labels are available, write in Item 7: "I am outside the continental U.S. and I am unable to vote and return a regular absentee ballot by normal mail delivery within the time provided for regular absentee ballots. I request a special write-in absentee ballot." Candidate and issue information may not be available at the time of your request.

The state special write-in ballot must be requested not earlier than 90 days before the election. You may vote it by writing in the names of specific candidates.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

A. Who Can Do It

These procedures apply to persons who are U.S. citizens and residents of Washington, or overseas voters. The term "overseas voter" means any elector of the state of Washington outside the territorial limits of the U.S. or the District of Columbia.

Washington residents residing outside the U.S. (for local, state and Federal office ballots)
